Well.. there's beer.

OH I brought a book with me.. it's about mushrooms!
We can go foraging for them!
Cool.. I'm gonna have a beer.

Remember those blueish mushrooms awhile back on the trail? Apparently they're edible??
HMM.

Yay!
Let's go get them!
And I'll lead the way!

Effie are you sure these aren't poisonous??
But.. but.. they totally look like the ones in this book!!
